Education

Chandigarh University , BE in Computer Science and Engineering	Aug 2021 – May 2025
• GPA: 8.09/10	
Sri Chaitanya Junior College , MPC	June 2019 – May 2021
• Score: 982/1000	
Pragathi Central School , 10th Standard	June 2018 – May 2019
• GPA: 9.3/10	

Experience

Programmer Analyst Trainee , Cognizant Technology Solutions	July 2025 – Present
• Implemented and deployed microservices using Spring Boot with Eureka Server and API Gateway, enabling dynamic service discovery, centralized routing, and improved scalability for enterprise applications.	
• Led the development of client-facing modules using React.js and Spring Boot, delivering secure and responsive features for pharmaceutical clients.	
Full stack developer Intern , CIGI Technologies	Dec 2024 – July 2025
• Designed and optimized interactive web components with React.js, resulting in a 40% decrease in load times and a notable improvement in user satisfaction scores, as evidenced by a 15% increase in app ratings.	
• Built and integrated reusable UI components with a scalable back-end API.	

Publications

eCommerce Product Showcase using MERN Stack – Published paper on scalable e-commerce platforms with MERN stack, focusing on order management.	Feb 2024
Nithin Linga, J Kartikeya, Revanth Ganta
